## **The picture on the front? That's me!**

**Really**, and I had no clue what I was doing. Serving through clean water projects was a calling God had put on my heart, and I followed his call to Ecuador. I knew I could do the job. I knew how to connect pipes and pumps, build strong towers, and install solar panels. However, I still failed miserably.

**Little did I know** about how to connect with people that live on the margins of society. I learned the hard way that missionaries are themselves a different tribe. I didn't know how to build a strong team to reach those far from God. I struggled to share my faith in another culture. The most significant blow was that I did not know how people could/would positively receive the 'stuff' we gave them.

**When we were asked** to set up a training programme that would prepare new missionaries for the field, I was stunned. We were still learning from our novice errors, community mess-ups, and interpersonal conflicts. Why ask us? Something changed when a good friend told us to just guide people through what you have gone through, teach them what you have learned. So here we are!

**This is our promise:** we teach you everything we know and have learned! I know, I should introduce FastTrack with a positive and inspirational quote, but I can't, because FastTrack is not the result of our best practices, but hand carved out of our mistakes and failures. Join us! We will go deep, challenge you, prepare you for impact, keep you focused on the cross!

**Let's do this together! Jesus told us: GO!**

*Wim*

**FastTrack** is all about a journey. A journey that takes you to where your skills, your passions, and your God-given calling interact with the world's most pressing needs. In this space, amazing things can happen as God works around, in, and through you, to shine His light into the darkest places around the globe.

**FastTrack** is a brand-new mission preparation programme, with the focus on you! Your well-being, personal, spiritual and professional growth are vital to *us* and to the mission set before *you*. **FastTrack** is designed to continue to build on the character, skills and experience God has given you. Through personal mentoring and tailored learning opportunities, the programme will fully equip you for service. Your mentorship starts from the moment you enquire about **FastTrack** to your final day with us. Taking a field-led approach to equipping enables us to deliver a practical, community-focused, hands-on, relevant curriculum. This ensures that you are strategically deployed for meaningful engagement in cross-cultural mission.

## MENTOR TOWARDS CHRISTLIKENESS

Person-focused active coaching from first contact on day one, to 24 months into the programme.

**We are committed!**

We also mentor the receiving teams and partners for a smoother transition.

## EQUIP WITH NEW SKILLS

**We focus on  
5 areas of  
development:**

## DEPLOY READY TO SERVE

**Join us for a 20 month** FastTrack placement and we will find you one aligned with your skills and calling, preparing you to make a meaningful impact.

**OR**

**Choose to serve through an open placement** if you have a clear calling, know where you need to go, or are with another organisation and just need some training. Join us and we will get you going!

The task for our **FastTrack** facilitators is to present practical, applicable tools with a solid theoretical basis.

No class will look the same! Our facilitators all teach with a desire to serve the next generation of mission leaders. They have all served in different countries and different roles.

Most important of all, they love God!

	Romans Road <b>Living and Working</b> Clean Water						

4 days a week, most Fridays off :)

7.30 > 8.00	Breakfast	30 M
8.00 > 8.45	Devos	45 M
9.00 > 13.00	Learning	4 H
15.00 > 18.00	Practical	3 H
or		
19.00 > 21.00	Practical	2 H

**85 topics divided into 15 subjects. 50 Bible studies and around 25 practical skills... This is what we teach you during **FastTrack**!**

In the core classes, you will spend substantial time diving deep into the subject of the week. Core classes are facilitated by one person but may be taught by multiple teachers. They will draw from a wide range of teaching materials and exercises, delivering an in-depth understanding of the topic for that week. Some classes may require pre-class preparation.

This is how we start our days; first we breakfast together and then it’s straight into Bible study. This will be a special time for you. We’ll teach you new spiritual disciplines, ask challenging theological questions and discover Bible truths together. During **FastTrack** you will work on developing and practicing your own spiritual rhythm.

Our practical sessions are hands-on, get dirty classes where we *do* stuff! We will taste many forms of outreach, trying them for ourselves, and have lots of fun in the process! Check the list for the range of classes. Just a little giveaway: I have seen nurses weld better than I have seen welders doing first aid!

**Mains**

**Practicals**

**Bible**

Introduction Week	Getting Around	Our Calling
Community Development	Car Maintenance	Acts and the Church
4-Fields Training	4-Field Outreach	4-Fields Bible Study

Grip - Birkman	Hygiene Education	Diving into Revelation
Crescent Project	ESL Project	The Pauline Epistles
Poverty	Survival Kit	Applied Theology
Media Week	Donor Communication	Understanding Suffering
Understanding the Refugees Crisis	Concrete Blockwork	Spiritual Warfare
Living and Working	Clean Water	Romans Road

# deploy

Our goal with **FastTrack** is to see you mentored, equipped and ultimately deployed for *meaningful engagement* in cross-cultural mission. What do we mean by that? It means seeing you *embedded* into teams with Reach Beyond or our partners where you quickly fit in. It means getting off to a good start with language learning and cultural adaptation. It means you can soon begin to give and receive, in your new team, in the new culture, and among the people you've gone to serve.

Deployment comes in one of two forms. *Fixed term deployment* is for 20 months, or you can opt for an *open deployment*. The latter means joining a Reach Beyond team or partner ministry for assignments from a few months to several years. Open deployments are discussed on a case by case basis.

Our deployment opportunities cover the whole range of Reach Beyond's ministry toolkit – from community development to medical work,

teaching to creative media  
ministries – to be the  
**voice and hands  
of Jesus.**

Vibrant big city life, white mountain villages, endless trails in national parks, beaches on the Mediterranean Sea and as many oranges as you can eat!

**FastTrack** is located in La Linea, near Gibraltar in Spain. From our training location it is only 10 minutes to the beach. If that does not appeal to you, in 30 minutes you're hiking in the mountains. Short and inexpensive flights make it easily accessible from other European countries.

# FastTrack attitudes

- 1 I invest in a strong relationship with the Lord and help others to do the same.
- 2 I serve from the heart, seeing every individual through the compassionate eyes of Jesus.
- 3 I care deeply, sincerely and honestly for those I serve under, over and with.
- 4 I intentionally deal with conflict in a biblical way. I do this when it first appears with healthy motives and a soft heart to honour those involved.
- 5 I am committed to do my job in a professional manner. I will work as unto the Lord.
- 6 I will say 'no' in an appropriate way that honours all involved to avoid distraction or over-commitment.
- 7 I strive to learn and adapt well in the local country in which I am working.
- 8 I am teachable and will learn what is required to reach people for Christ and I will train others to do the same.
- 9 I am not focused on personal gain, but on advancing the Kingdom of God, even at great personal cost.

- 1 I am willing to fail so others can succeed.
- 0 I am willing to lead, follow or get out of the way so those around me can do their jobs better.
- 1 When a problem is presented to me, I will own it until it is resolved, or someone accepts responsibility for it from me.
- 1 I am willing to push through my own discomfort and cultural limitations so others can grow for the glory of God.
- 1 I will model financial transparency and accountability both internally and externally.
- 2 I will not lose focus of the big picture while attending to the details presented to me.
- 1 I will build up the people I work with and respect the God-given gifts they possess. I'm only a part in the body of Christ and need others to function.
- 3 I will value and grow from personal feedback however and whenever it is given.
- 4 I am flexible, recognizing that plans can change, always leaving God in control.

# mentor

Mentoring is a foundational pillar of **FastTrack**. Our approach is based around active learning and coaching with a mentor to walk alongside you. Working with a mentor means two minds are focused on the development of one person – you! As you gain new skills and experiences, you'll process these with your mentor, who will act as a sounding board and as a prompt to learning.

Your mentoring starts the moment you begin the application process, even if you don't ultimately join **FastTrack** – we want to see you, and the Kingdom of God grow!

Once you *have* joined the programme your mentoring is an integral part of both the equipping and deployment phases of **FastTrack**. As the time approaches for your deployment, we will work with our receiving teams or partners around the world, to ensure meaningful engagement for both you and the team you join, not to mention with the people you seek to serve.

## FUN(D)RAISING

Do you believe in the Lords prayer? Give us our daily bread...

Jesus teaches us to come to God with a humble posture, asking Him to provide what we need to sustain us day by day. This is your first assignment as a missionary; trust God. Secondly, ask people around you to join this venture God is taking you on, so that you and others may know Him and witness His provision.

On the next page you will find the **FastTrack** budget. Now you know the details, watch God work miracles around you. Speak clearly of what God has asked you to do. We will mentor you through the period of raising funds and prayer, so we can be amazed together by God's provision!

# application process

## You fill in an application online

We'll let you know we've received it

After reviewing your application  
we'll invite you for an online interview

We meet up online

## You do an online assessment

After reviewing your results we invite you for a  
second interview

We meet up, face to face if possible

Meanwhile we follow-up on your references

After this our team has a meeting to prayerfully  
consider your application

We will let you know the outcome

**You let us know if you will accept our  
invitation to join FastTrack**

Martin & Ruth

Karen

Wim & Nienke

# FAST TRACK TASK FORCE

A multinational team is responsible for FastTrack. Responsibilities are divided into the areas of: Mentor, Equip, Deploy, Mobilization and Operations.

*Let's meet the team*

A collaborative effort led by Reach Beyond Nederland and Reach Beyond UK.

**Currently, we can process participants from the following countries:**

- The Netherlands
- United Kingdom
- Unites States
- New Zealand
- Australia
- Sweden
- Spain

*When you have a passport from another country, please talk to us to find out who is our established partner in your country, to get you started!*

## KEY FEATURES of FASTTRACK

- Follows Jesus' example of disciple-making - Jesus mentored, equipped and deployed.
- Prepares participants for meaningful engagement in practical voice or hands ministry.
- One-stop training programme – covers all areas of preparation under one roof.
- Five areas of development – personal, spiritual, team, community, intercultural.
- Active learning – apprenticeship approach with strong emphasis on mentoring.
- Hands-on and skills-based learning – a healthy blend of theory and practical preparation.
- On-field and field-led approach, meaning it is highly adaptable, responding to training and preparation needs identified as most relevant by our active field staff and leadership.

### Choose your deployment

**Open deployment** – means participants can choose a longer or shorter assignment. For example, several months in a refugee camp or go longer than 20 months to serve long-term with a Reach Beyond team or partner. Go where God leads you, where there is a placement waiting for you. Engage in meaningful mission.

or

**20 Month FastTrack deployment** - we will find you a placement aligned with your skills and calling, where you can make a meaningful contribution. We will have a deployment option for people with no destination set beforehand as well as those who have expressed specific interest in either a particular location or type of ministry.
